Commissioner for Patents

This is to inform the applicant that Information Disclosure Statements submitted on 12/19/2008 and 10/5/2007 are not considered but kept on the record. Said IDS are not considered because they were submitted after the Appeal Brief filed on 1/12/2007, which is an action that closes the prosecution. After prosecution is closed, a statement as specified in 37 CFR 1.97(e) is required before the IDS is considered. Such statement has not been received.
